## HYOMEI CURES CATARRH.

COSTS NOTHING UNLESS IT GIVES RELIEF—  
SOLD UNDER GUARANTEE.

No matter how severe or chronic a  
case of catarrh you may have, consult  
the Red Cross Pharmacy about the use  
of Hyomei. They have so much faith  
in the efficacy of this treatment that  
they give their personal guarantee with  
every outlet they sell that it will effect  
a cure, or the money will be refunded.

In many instances Hyomei has cured  
catarrh when the patient had suffered  
from childhood. Quite a few people in  
Barre who have been unable for years  
to get a good night's sleep on account  
of the disagreeable tickling and drooping  
at the back of the throat, have obtained  
quick relief from a few treatments with  
Hyomei, and the continued use has made  
a complete and lasting cure.

There is no stomach dosing when one  
uses Hyomei. Simply breathe its medi-  
cated healing through the pocket inhaler  
which comes with every outfit, and all  
catarrhal germs will be killed and the  
mucus membrane will be healed.

A complete Hyomei outfit costs but  
\$1, sufficient for at least two weeks  
treatment, making it one of the most  
economical methods of curing catarrh.  
If the outfit does not complete a cure,  
extra bottles of Hyomei, if needed, can  
be bought for 50 cents. Remember that  
there is no risk in buying Hyomei. It  
costs nothing unless it cures.
